

SPARTAN SPECTACULAR: RAIN-OUT PLAN

In the event that inclement weather forces the Spartan Spectacular indoors, the following plan will be put into place.

Bands will be asked to wait on their buses until they can be brought into the school and escorted to their assigned warm-up area.

Bands will be taken to their warm-up area approximately 45 minutes before their scheduled performance time and will have 30 minutes to warm up. Pit equipment may be staged in the Main Lobby and Main Hallway or may accompany the band to the warm-up area.

Approximately 15 minutes before your performance time, an escort will meet your band to escort you to the ready line.

Bands will enter through the Gym with the Front Side to the right.

A podium will be provided for your Drum Major.

After your performance, your band will exit the opposite side of the Gym. Bands are expected to proceed to the buses and equipment vehicles immediately following their performance.

There will be no critique for bands that perform indoors.

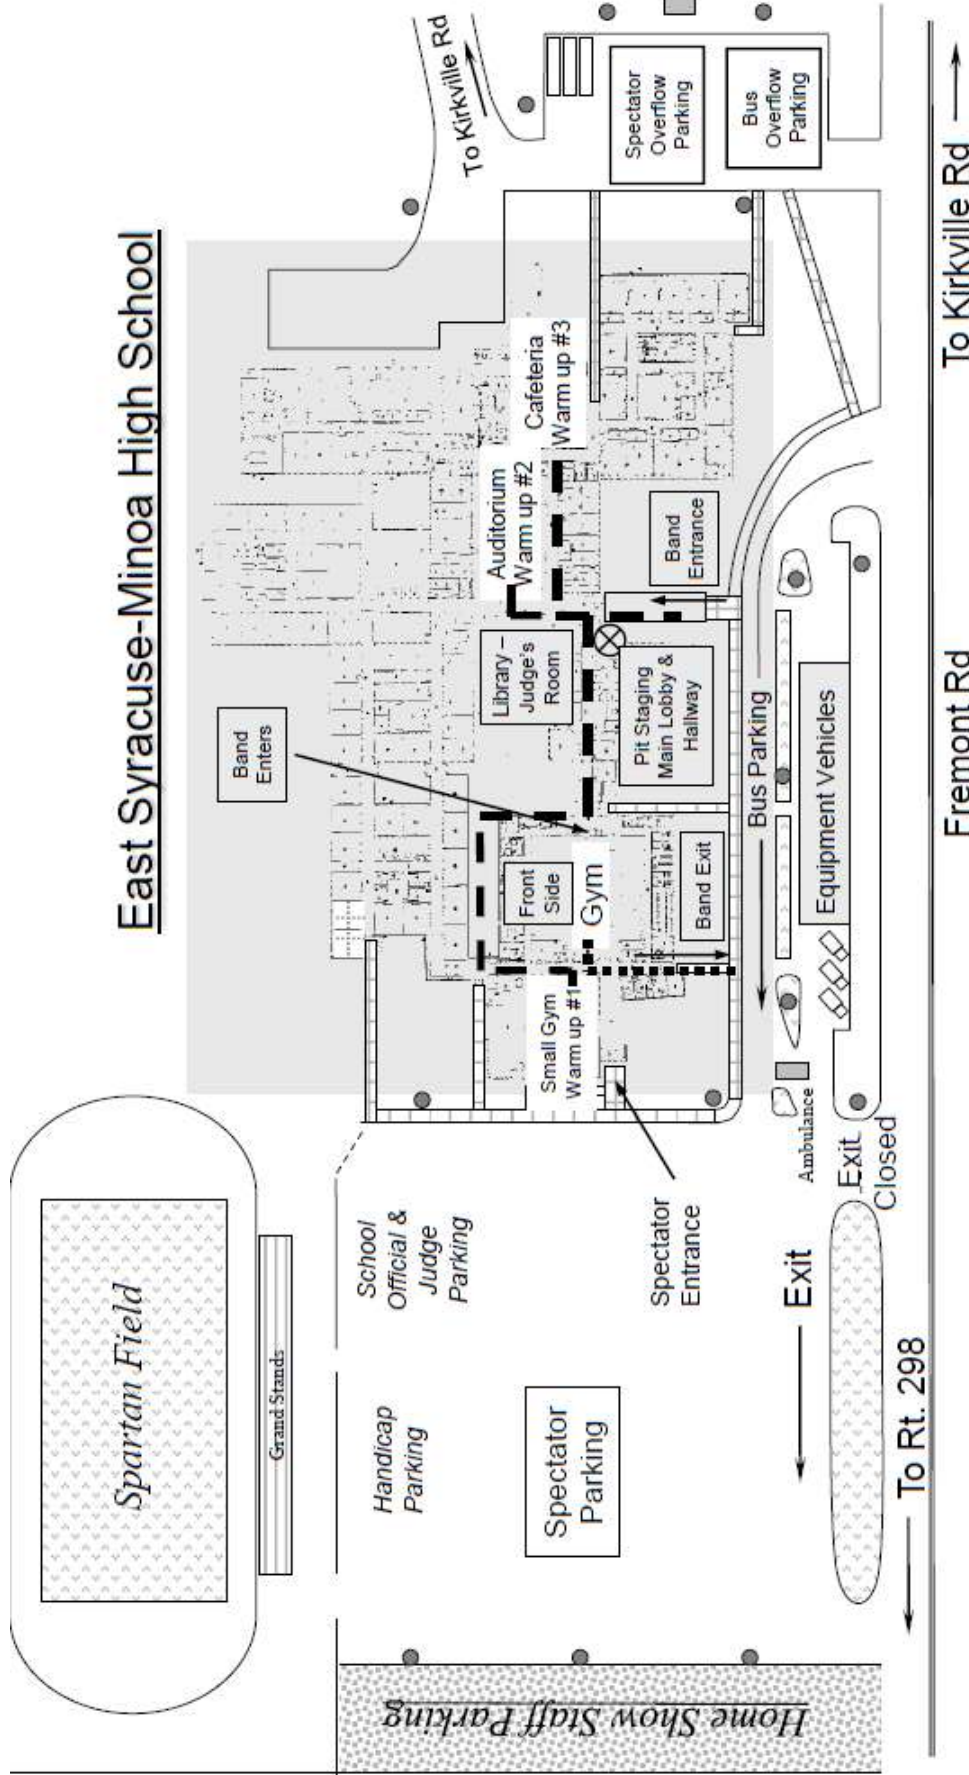

Please reference the enclosed map for more details.
